Please ensure that all school supplies are **labeled clearly with first name and last initial** (a "Sharpie" fine tip marker works very well). **This includes everything on the list (please label felt marker lids with initials only).** All pencil crayons and at least 10 pencils must be sent sharpened. It is extremely important that labeling and sharpening be done BEFORE sending the supplies to school. **We do not want to spend valuable class time labeling supplies and sharpening pencils.** We will send home a checklist indicating any items that are missing from your child's supplies in the first week of school.

We thank you in advance for your co-operation and look forward to working with you and your child next year!
